MODERN™

retail solutions

Dear Customer,

Welcome to the world of Modern Retail Solutions. At Modern, we have been working on merchandising solutions with retailers for the past 45 years. Whether it's a special promotion, a new product category, a remodel or even a new store, Modern has a merchandising solution for you. Our products always have you and your customers in mind and are designed to:

• Increase category sales and your sales per sq. ft.

• Enhance the visual merchandising and shopping experience for your guests

• Improve the labor efficiency for your associates and ultimately save you time and money

We have injection molding, profile extrusion, fabrication, assembly and warehousing capabilities all under one roof.

Our experienced team will help you find the right merchandising solution for your next promotion or project. Give Modern a call at 1.800.258.6197 and we will be glad to assist you. You can also check out our website at www.modernretail-solutions.com

As always, thank you for your business

Sincerely,
Modern Retail Solutions
